CASSIA

Residences

Rama 9 Bangkok

Cassia Residences Rama 9 Bangkok was created by Siamese Asset PLC to create a new height of living standard filled with quality and world-class services, facilities, and new features in addition to exclusive services such as concierge, room service, residence management and many others.

Siamese Asset PLC intends to bring you the best that life can offer by joining hands with Cassia, a brand of Banyan Tree Group, to create a Branded Residence that can become the new alternative standard-bearer in the residential market. Through this partnership, the project will increase in value and provide greater returns on investment. The Banyan Tree Group is a brand that covers every age and demographics of customers, enabling an unrivalled lifestyle choice and an ideal way of life for our customers.

Furthermore, you will also enjoy exclusive privileges and benefits at various hotels in Banyan Tree Group worldwide.

Banyan Tree Phuket, Thailand

BANYAN TREE GROUP

Banyan Tree Group is a leading independent, multi-branded hospitality group. The Group's diversified portfolio of hotels, resorts, spas, galleries, golf and residences is centred on five award-winning brands (Banyan Tree, Angsana, Cassia, Dhawa and Laguna) with four more brands in development. It operates in more than 22 countries across 48 hotels and resorts, 64 spas, 72 retail galleries and 3 golf courses.

Banyan Tree Group also operates Asia's premier integrated resort - Laguna Phuket in Thailand - through the Group's subsidiary, Laguna Resorts & Hotels Public Company Limited. Two other integrated resorts - Laguna Bintan in Indonesia and Laguna Lang Cô in Vietnam - cementing the status of a major operator of integrated resorts in Asia.

EXCLUSIVE LIFESTYLE

The concept behind Cassia Residences Rama 9 Bangkok is inspired by artistry and craftsmanship. The project offers an urban living experience combining a perfect environment for living, working and playing.

We have worked with top-class interior designers to maximize the functionality and aesthetic beauty of every one of our residential units. Every window gives a stunning, uninterrupted view of the beautiful panoramic Bangkok cityscape. You will have a choice of five exciting designs inspired by some of the most iconographic metropolises in the world.

Each multi-functional unit can be a private office during the day while in the evening can be converted into a meeting place for friends and loved ones, while offering you a comfortable living space for happy family time.

Residents benefit from an extraordinary experience provided by Cassia, and exceptional services offered at Cassia Residences Rama 9 Bangkok, Siamese Tower.

MASTER PLAN

Disclaimer: This project is being developed by Siamese Praramkao Company Limited only. Conceptual layout only: A layout is not at the stage of issuance of this layout, a final layout, and is therefore not intended nor shall be construed in any way whatsoever to be an offer to commit to a layout nor binding. At the point of issuing a layout, Siamese Praramkao Company Limited continues to develop plans with regards to the positioning of walls, interior and exterior features, dimensions of rooms, ceiling heights, partition locations, lighting design, door locations, space for furniture fittings and equipment and use and location of sanitary ware. No final commitment shall be made until the point of signing of a full sale and purchase, and related agreements ("Agreements") in which a layout plan will be attached, but will be subject to any permitted variations in such Agreements. Descriptions: All written descriptions are, at the time of writing, prepared with a reasonable degree of care, but are subject to change if the plans of the project change including but not limited to descriptions of unit sizes, orientation, layouts, number of units, bedrooms, internal, external areas and configurations. Force Majeure: Siamese Praramkao Company Limited reserves the right to withdraw this Project in the event of a matter not within its control preventing Siamese Praramkao Company Limited from undertaking the project.

*The company reserves the right to change information without prior notice.

SIAMESE TECHNOLOGY

AIR VENTILATION TECHNOLOGY

Twenty-four hours ventilation system in your unit for cleaner air. Able to filter dust particles as small as PM2.5 at 99% for a healthier living environment.

SOUNDPROOF TECHNOLOGY

Our project provides a soundproof entryway as doors and walls absorb exterior sound to reduce noise pollution.

SMELL PROTECTION TECHNOLOGY

Separate drainage system for superior smell protection, enabling an odour free living in each unit.

EASY MAINTENANCE TECHNOLOGY

Our innovative tubing design inside concrete provides easy maintenance for each of our units, providing a higher level of privacy.

HEAT RESISTANT TECHNOLOGY

Our energy-saving glass prevents external heat radiation and keeps your home cooler.

PATH TO CREATIVITY THE ASSET OF LIFE

Siamese Asset was established in 2010 by the merger of executives of Ritta Company Limited, the leading primary construction business in Thailand, to bring expertise and experience in the construction business to develop into the development business. A real estate for creating quality living at a price worth the investment and a good asset for the future.
